Clothing

Low cost, gently used clothing – shirts, slacks, dresses, coats, sleepwear and more – is available in the more than a dozen thrift shops in Westchester County.

If you are specifically looking for clothes for a new job or job interview, ask for a referral to an organization that has an interview/dress-for-success clothes closet. These organizations will provide you with the right clothes to wear at no cost.

Get referrals from groups that are supporting you, such as probation, case management, or counselors. Most are not publicized, so you need the referral.
