## HIV/AIDS Services

The Ryan White HIV/AIDS Program (a service of the Human Resources & Services Administration) helps low-income people with HIV receive medical care, medications, and support services so they continue their care. Use the [Program Medical Provider tool \(findhivcare.hrsa.gov\)](#) to locate available care and services in Westchester County; many local health clinics participate.

You may also wish to explore these resources:

- [NYS HIV/AIDS Information and Counseling Hotline \(health.ny.gov/diseases/aids\)](#) | 800-872-2777 | Spanish 800-233-7432 | Taped information on prevention, diagnosis and treatment as well as referrals to testing, counseling, and treatment programs. At the website, see “Information for Consumers.”
- [Legal Services of Hudson Valley](#) assists individuals and families affected by HIV/AIDS who face a broad range of legal issues including discrimination, housing, HIV confidentiality, disability, Medicaid, and permanency planning.
- [Legal Action Center's](#) information on HIV confidentiality
